

Healthy Hospitals. Healthy Communities.

Baldwin Area Medical Center's impact on the community.

Baldwin Area Medical Center provides access to vital health care services 24 hours a day, seven days a week, 365 days a year. In Fiscal Year 2008, the Medical Center provided inpatient acute hospital care to 1,161 patients, responded to 4,108 emergency room patient visits, and provided 28,765 primary care clinic appointments in the Baldwin Clinic. In addition, the Medical Center provided a wide array of necessary outpatient healthcare services like Cardiac and Pulmonary Rehab, Physical and Occupational Therapy, Laboratory, X-Ray, CT, MRI, Nuclear Medicine, Chemotherapy, among many other local services. Baldwin Area Medical Center works with a variety of specialty care physician providers from the surrounding geographic region to offer local access to necessary specialty referral services. The Medical Center's Board of Trustees, the Medical Staff and the employees are very proud to be "Your Trusted Health and Wellness Partner".

In addition to providing quality health care, Baldwin Area Medical Center also contributes to the local economy through the people we directly employ and the goods and services we purchase. The Medical Center supports other local businesses through "multiplier effects" that are generated in three ways:

- The hospital's purchases create industry revenues for local businesses and "indirect" jobs and income for their employees.
- Employee purchases generate "induced" income and jobs for other businesses in the community.
- Wages and salaries are subject to federal, state and local taxes.

What is Baldwin Area Medical Center's Impact on the Community?

- Provides jobs for 245 hospital workers and supported an additional 103 jobs created indirectly through hospital purchases and 87 jobs induced through hospital employee economic activity for a total of 435 jobs.
- Accounts for just over \$40,633,000 in economic activity. The direct effect of Baldwin Area Medical Center is \$24,331,000 and includes revenues from services provided by the Medical Center as a whole.
- Contributes \$21,712,000 in total income to the community.

Baldwin Area Medical Center also offers an array of special programs and activities to help meet the community's broader health and social needs. Our community programs include:

- Educational outreach, health screenings and support groups.
- Access to free or discounted care for eligible individuals, whether they hold personal health insurance or find themselves without that coverage.
